Project Applicant: Phillips 66 Company – Louis Mosconi

Applicant's Agent: Stantec Consulting Services – Todd Porter

Project Name: Kuhnle Ranch Remedial Excavation

Receiving Water: Cool Creek

City/County: Shandon / San Luis Obispo

Public Notice: August 28, 2020 – September 18, 2020

Project Description:

The purpose of the proposed project is to remove residual petroleum hydrocarbon-impacted soil.

The proposed project activities include:

- Excavating at four areas;
- Taking confirmation samples for laboratory analysis;
- Transporting hydrocarbon-impacted soil to an offsite disposal facility;
- Importing soil to refill the excavation areas; and
- Compacting and revegetating the impacted areas.

No mitigation is proposed.

The County of San Luis Obispo filed a Categorical Exemption.
